

Supplying strong and efficient solutions to the PVC & Plastic Compounding Industry.

YOUR **FIRST CHOICE** FOR PVC & PLASTICS RAW MATERIALS IN THE MIDWEST

PVC & Plastic Compounding

Over our 40+ year history, EMCO Chemical Distributors has established quality relationships with many of the best PVC and Plastic Compounding raw material suppliers in the industry. With more than 20 degreed chemists on staff, we have the experience and knowledge to help you to incorporate newer raw materials into existing products, in addition to addressing formulation issues. Whether you manufacture flexible hoses or plastic colorants, EMCO has the raw materials you need.

Function	Products Offered
Flame Retardants	Chlorinated Paraffins, Phosphate Esters, ATH
Heat Stabilizers	Barium, Calcium and Zinc Compounds
Functional Extenders	Barium Sulfate, Calcium Carbonate, Talc
