

# EMCO Chemical Distributors, Inc. Privacy Policy

Last Updated: March 5, 2020

Welcome to [www.emcochem.com](http://www.emcochem.com). EMCO Chemical Distributors, Inc. (“EMCO”) appreciates your interest in this website and other affiliated or linked EMCO websites. We value your privacy and are serious about safeguarding it. This Privacy Policy explains how we collect personal information you provide to us through our websites, describes the categories of personal information you may choose to provide to us, and the purposes for which we use that information.

This Privacy Policy will notify you of the following:

- your consent to our data collection and use practices;
- the intended audience for our website;
- cookie technology (our lack of use within our websites);
- the categories of information collected from you through the EMCO websites, how it is used, and with whom it may be shared;
- your access to and control over your information;
- information concerning the location of your information;
- the California Consumer Privacy Act; and
- how you can ask us questions about this Privacy Policy.

## **YOUR CONSENT**

By accessing and using our websites and providing us with your information, you consent to the data collection and use practices described in this Privacy Policy. If you do not want us to collect or use your information as set out in this Privacy Policy, please refrain from using our websites or providing us with your information.

## **INTENDED AUDIENCE**

This Privacy Policy is addressed to visitors of our websites and recipients of electronic or other communications from us that reference this Privacy Policy. Our customers are businesses. Because we do not sell our products or services to individuals, we do not seek to collect personal information outside of a business relationship.

Please note that we do not seek to collect information about persons under the age of 18, and our websites are not intended for use by anyone under the age of 18. No one under the age of 18 should provide information to us on or through our websites. If we learn that we have received information from a person under the age of 18, we will delete that information. If you believe a person under the age of 18 has sent personal information to us, please contact us immediately and we will use reasonable efforts to promptly remove that information from our systems.

## **COOKIE TECHNOLOGY**

Cookies are small files that websites save to your hard disk or to your browser’s memory. Unlike many websites, we do not collect information that may be sent to us automatically by your web browser. Similarly, we do not use “cookies” on our websites.

## **WE DO NOT SELL YOUR INFORMATION**

We are the sole owners of the information we collect through our websites. Please note that we do not sell or rent the information collected from our customers or visitors to our websites.

## **CATEGORIES OF INFORMATION COLLECTED**

Our websites permit you to contact us or make certain requests for information concerning our products and services. We only collect the personal information you knowingly provide by completing an online form, registering for information or services, or otherwise send to us. For example, if you sign up to receive e-mail communications from one of our businesses, we collect your e-mail address and any related information you provide. If you communicate with us using the “Contact Us” feature, we collect the information you provide when you complete the “Contact Us” form.

Here are some of the categories of personal information that you have the choice of providing to us:

- Name
- Company name
- Company address
- Email address
- Telephone number
- Facsimile number
- Chemicals you are interested in receiving information about
- Comments you would like us to consider

## **USING YOUR INFORMATION**

We may use the personal information you provide through our websites for any legitimate and lawful business purpose, including but not limited to the following:

- to provide products, information and services you request;
- to provide you with customer service or technical support;
- to contact you with updated information about our products;
- to improve our marketing and promotional efforts;
- for security or fraud prevention purposes; and,
- for any other purpose identified in an applicable privacy statement or other agreement you may have with EMCO.

Unless you ask us not to, we may use your information in order to contact you via e-mail in the future to inform you of specials, new products or services, or changes to this Privacy Policy.

## **COMMUNICATIONS RELATED REQUESTS**

You may request that we stop sending communications to you at any time by contacting us via e-mail at [Privacy@emcochem.com](mailto:Privacy@emcochem.com) or by phone at 262-427-0400. Please keep in mind that our business relationship may require us to send you limited communications even after a request is made. To the extent we are able to comply with your request, we will honor it.

## **YOUR ACCESS TO YOUR INFORMATION**

Should you choose, you may contact us in order to:

- request the categories of information you have provided to us, if any;
- change and/or correct any information we have about you;
- request that to the extent possible we delete any information we have in our active files about you; and/or
- express any concerns that you may have about our collection and/or use of your information.

## **SHARING YOUR INFORMATION**

EMCO may share your information with EMCO affiliates for the purposes set forth in this Privacy Policy.

We have business relationships with other companies and persons (a.k.a., service providers) to perform business functions on our behalf. They may be provided with access to personal information needed to perform these business functions, but may not use that information for other purposes. We may also share your information with third parties for business transactions, acquisitions or transfers, compliance with laws, rules and regulations, the protection of our rights and the rights of others, to prevent or investigate a possible crime, or to enforce or apply any of our other agreements.

Other than as described above, we do not share or sell your personal information to third parties.

## **LOCATION OF OPERATIONS**

Our organization has its headquarters in the United States, but also has operations in Canada.

## **CALIFORNIA CONSUMER PRIVACY ACT (“CCPA”)**

Please note that EMCO does not collect information from California residents because we are a business-to-business enterprise and do not sell our products to individual consumers. As a result, any information we collect about a California resident arises out of their position as an employee of another business who is a customer or prospective customer of ours.

## **NEVADA CONSUMER PRIVACY**

As indicated above, EMCO does not sell your personal information to any third parties.

## **CHANGES TO THIS PRIVACY POLICY**

From time to time, EMCO may update this Privacy Policy and related business practices. When we do, we will revise the “effective” date at the top of the Privacy Policy. We reserve the right to do so at any time and without prior notice. Your use of our websites after such changes have been posted constitutes your agreement to such changes. We encourage you to review our Privacy Policy regularly for updates.

## **CONTACT US**

If you have any questions about this Privacy Policy, please contact us at [Privacy@emcochem.com](mailto:Privacy@emcochem.com).
